Education

The Iron Yard — Back End Engineering, 2016
Culinary Institute of America — AOS, 1996
State University of NY, Albany — BA, 1994

Skills

Ruby, Rails, HTML, CSS, Java Script, Team Building, Employee management, Paralegal, Database Management, Data Entry, Inventory Management

Experience

Spoonboards, Final project for Iron Yard, 4/2016

Team of 4 developers created a web app to display boards of images generated from Spoonflower API. Incorporated several API's into this app, implemented OAuth sign-in, Pinterest uploads, Stripe checkout integration, Heroku deployment. App is built on a ruby on rails backend with traditional html/css/java script engineered front end. User experience meant to avoid unnecessary page reloads and make it easy for user to generate fabric samples and expedite sales.

Head Waiter, Fearrington House Restaurant, Pittsboro, NC — 2011 - 2016

Lead a team of 15 servers at one of North Carolina's best restaurants. During my tenure we garnered the elite Forbes 5 star award.

Server, Plaza Hotel — 2010 - 2011

Had the opportunity to transition to the front of the house and serve A-list celebrities and politicians in one of the worlds most iconic hotels. Also had the unique opportunity to be part of life in a Union.

Assistant Executive Chef, The Plaza Hotel, NY, NY — 2008- 2010

Started off as a consultant for the \$400 million renovation and re-opening of The Plaza Hotel, moved up to Assistant Executive Chef shortly after. Helped manage \$16 million dollar F&B department.

Executive Chef, Aix Restaurant, NY, NY — 2003 - 2008

Started as sous chef at this Upper-West Side Provencal Restaurant, eventually promoted to Executive Chef.

Paralegal, LSP/LIT, NY, NY — 1994 - 1996

Worked on large data collection cases specializing in data entry and database maintenance. Ended up overseeing and training teams of paralegals.
